For each occupied mobile home park unit, the park owner will receive a discount in the same amount as allowed to PG&E by the California Public Utilities Commission for the nearest geographic area, expressed as an average monthly amount.

MARKET COST ADJUSTMENT (MCA):

A market cost adjustment may be included in each bill for service. The adjustment shall be the product of the total kilowatt-hours (kWh) for which the bill is rendered times the adjustment amount per kWh. The adjustment amount per kWh will reflect amounts charged the City of Lodi by various suppliers of bulk power not covered in the above rates.

BILLING CYCLE CHARGE (MONTHLY BILL):

The Billing Cycle Charge is the higher of the Minimum Charge or the sum of the Customer Charge, Energy Charge, Discount and MCA.

SPECIAL CONDITIONS:

- (a) This rate is available only for mobile home park master metering in service prior to March 31, 1989.
- (b) It is the responsibility of the master-metered customer to notify the City Finance Department within 15 days following any change in the number of occupied mobile home park units wired for service.
- (c) Miscellaneous electric loads such as general lighting, laundry rooms, general maintenance, and other similar use incidental to the operation of the premises as a multi-family accommodation will be considered domestic use.
- (d) To qualify for Single Household Alternative Rate for Energy (SHARE) the sub-metered tenants of the master-metered City of Lodi Customer will submit an application, including the tenant's unit number, to the City of Lodi Finance Department. The City of Lodi Finance Department will notify the master-metered Customer of the tenant's certification.
- (e) Certification will be required to determine income eligibility for the SHARE program. Sub-metered tenants of the master metered City of Lodi Customer must sign a statement upon application indicating that the City of Lodi may verify the sub-metered tenant's eligibility at any time. The master-metered Customer, not the City of Lodi, is responsible for extending the SHARE program to tenants certified to receive them. If verification establishes that the SHARE tenant is ineligible, the tenant will be removed from the master-metered Customer's qualified tenants and the City of Lodi may render corrective billings.
- (f) An additional medical discount is available as described in Schedule MR, Residential Medical Rider.
- (g) The master-metered Customer shall not bill any sub-metered tenant more than that tenant would be billed if that tenant were an individual customer of the City of Lodi. For a qualifying SHARE tenant, the master-metered Customer shall bill the qualifying tenant at the applicable rates equivalent to Schedule ED, Residential SHARE Program Service. A non-qualifying tenant shall be billed at the same rate that the City bills the park owner, excepting the Master Meter / Sub-Meter Discount.
- (h) The master-meter/sub-meter rate discount provided herein prohibits further recovery by mobile home park owners for the costs of owning, operating and maintaining their electric sub-metered system.
- (i) Mobile home park owners must submit their billings to the Electric Utility Department semi-annually for auditing to ensure compliance with this section.

FIXED INCOME DISCOUNT:

For those customers who are on fixed incomes below \$45,000 annually and who are over 62 years of age, and do not qualify for any other discount, a discount of 5% shall apply to the electric bill. Procedures as to qualification will be established by the Electric Utility Department.

SECTION 2. No Mandatory Duty of Care. This ordinance is not intended to and shall not be construed or given effect in a manner which imposes upon the City, or any officer or employee thereof, a mandatory duty of care towards persons or property within the City or outside of the City so as to provide a basis of civil liability for damages, except as otherwise imposed by law.

SECTION 3. Severability. If any provision of this ordinance or the application thereof to any person or circumstances is held invalid, such invalidity shall not affect other provisions or applications of the ordinance which can be given effect without the invalid provision or application. To this end, the provisions of this ordinance are severable. The City Council hereby declares that it would have adopted this ordinance irrespective of the invalidity of any particular portion thereof.

SECTION 4. All ordinances and parts of ordinances in conflict herewith are repealed insofar as such conflict may exist.

SECTION 5. This ordinance shall be published pursuant to law and shall become effective 30 days from the date of passage and adoption.

SECTION 6. This amended Schedule referenced above shall be effective on applicable electric utility billings prepared by the City of Lodi on or after July 6, 2007, or the first date allowable under State law.
